

Federal Bureau of Prisons Press Release #001

8/23/2022

Recently we have had some administration changes and with this, I have decided to reform the department. First I wanna say a huge thank you to my former Deputy Chief, Ivjxsh who had to unfortunately resign due to personal medical reasons. You can find his farewell letter [here](#). I have already found someone to succeed in his position. That person is Gytis5089. I have great confidence they will do an excellent job within their position. The department has some good goals in mind in the near future and hope you all will be included in it. Applications are always open and are actively read. We encourage you to apply.

Nino The Meano
Chief, Federal Bureau of Prisons
